Thanks to our sponsors

Putting Edinburgh on the map

of C++ meet-ups in Europe.

Meeting C++ - <http://www.meetingcpp.com/>

Compared to 2011

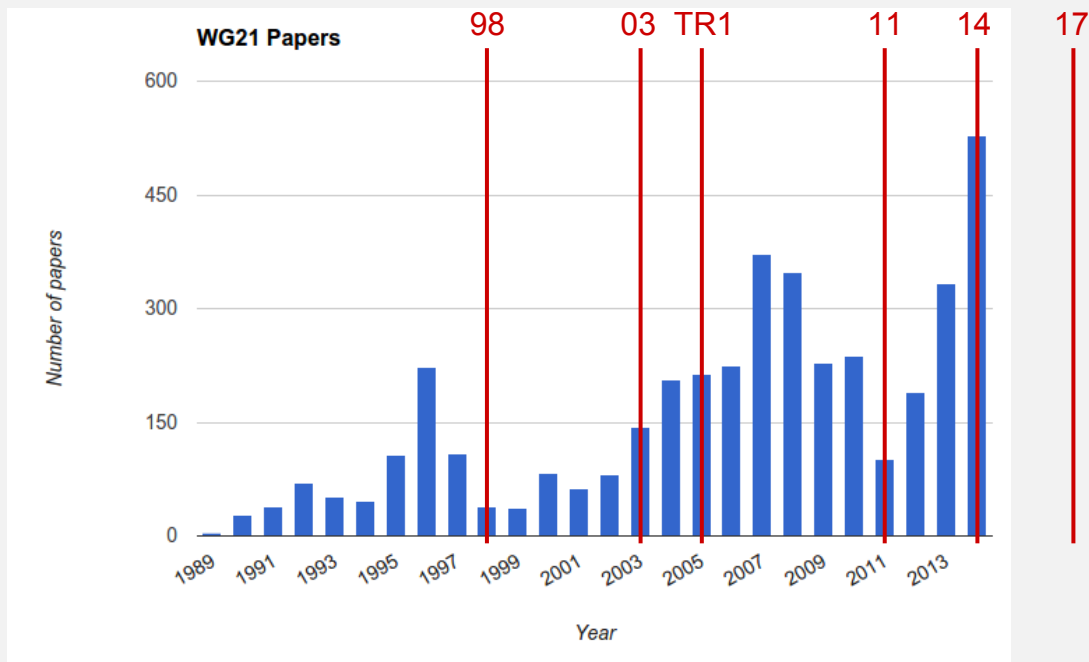

with only two.

Meeting C++ - <http://www.meetingcpp.com/>

C++ is changing rapidly

for the better!

More questions and answers

with C++ related tags on Stack Overflow.

Edinburgh is full of C++ers

companies, universities, hobbyists.

That thing you're doing with C++

tell us about it!

What happens next?

Well I haven't figured that out yet.

Venue?

Speakers?

Frequency?

Mini-events?

Keep up-to-date

with C++ Edinburgh happenings.
